

TERREBONNE PUBLIC SCHOOLS' PRINCIPALS OF THE YEAR

Pam McCann Broadmoor Elementary

Pam says, “One of my favorite quotes is, “Life is not measured by the number of breaths we take, but by the moments that take our breaths away.” Each day, I am blessed to experience one of those moments – a child’s hug, or smile when they “get it”, observing those ‘teachable moments’ that remind you what it was like to be in the classroom, watching our children and our teachers grow.

Cheryl Degruise Dularge Middle School

Cheryl strongly feels that job embedded staff development has taken her and her staff to new heights in the field of education. There is continuous collaboration between her and members of her staff to develop and maintain the best academic learning environment possible for the students at Dularge Middle School. She believes this is truly one of the foundational pieces to success in the classroom.

Graham Douglas Terrebonne High School

Mr. Douglas provides an environment where all students are given the opportunity to be successful and believes every student can be successful. He is admired and respected by colleagues for his compassion, concern, and strong work ethic.
